Dear Keith,

Many thanks for contacting War Memorials Trust, the national charity dedicated to the protection and conservation of our war memorials.

As discussed, new war memorials fall outside of our remit, so you don't need to consult with us. We do however have some general guidance and points to consider which is available here: [www.warmemorials.org/uploads/publications/49.pdf](http://www.warmemorials.org/uploads/publications/49.pdf).

I hope this helps, but please do not hesitate to contact me if you have any questions.

Best wishes,

Brogan
